INFORMATION DISCLOSURE STATEMENT

The applicant is aware of the following reference:

1) Japanese Laid-Open Patent Application No.9-191486

An English Abstract of the reference 1) is attached to the copy thereof.

The reference 1) does not seem to show or suggest a method of identifying a type of portable telephone set to which a data processing apparatus is coupled, by identifying the type of the portable telephone set based on a response with respect to an operation start signal which is output to a data interface part of the portable telephone set.
